Dad Jokes

Puns so bad they're good. Warning: Excessive groaning guaranteed.

Sarcasm

Oh, you really want this? How original. Intelligent wit for the cynical soul.

Puns

Wordplay that hits different. A pun-derful choice for the clever.

Geeky

Math, coding, and science jokes. There are only 10 types of people...

The Wildcard

Don't box me in. Give me a mix of everything—dark humor, wholesome memes, and bizarre observations.
