

STEP 2 OF 3

Pick your Flavor of funny

We'll tailor your daily dose of dopamine based on the kind of humor that actually makes you crack a smile.

Dad Jokes

Puns so bad they are actually legendary. High eye-roll potential.

Sarcasm

For the sharp-witted. Because being nice is just too easy, isn't it?

Puns

A play on words that will leave your friends wishing they hadn't asked.

Dark Humor

Like a cup of coffee, best enjoyed black. Not for the faint of heart.

Intellectual

Nerd-tier jokes about physics, philosophy, and Oxford commas.

Surreal

Absurdist humor that defies logic and often features talking fruit.
